Thanks Judith.

Here are the EPA participants in addition to myself:

Risk Assessment Division, Office of Pollution Prevention and Toxics (OPPT)
Louis Scarano,
Andrea Pfahles-Hutchens
Heidi Bethel
Sharon Austin
Jay Jon

Chemistry, Economics and Sustainable Strategies Division, OPPT

Also, are there other ACC members who use asbestos gaskets and would they be interested in talking with us as well?

Best,

-Robert

Dear Robert,

Thank you again for the meeting yesterday, as I hope you and your team found it to be helpful. I'm working on pulling together the information requested, landfill names, locations and permits, and the monitoring data.

Could you please send me a list of the EPA folks that were in attendance?

Thanks a million ... have fun Trick or Treating with the kids tonight!

Judith
